It is alleged that he failed to keep a proper look out and that he consequently ran over a motorcyclist, Brian Tafara, thus causing his death. Michael Johns tells you that contrary to the State's assertions, he in fact was driving at a safe speed and took all the necessary measures to prevent an accident. As far as he is concerned the cyclist was negligent in that he failed to keep a proper lookout, did not heed the road sign and failed to keep to his proper lane.
