ATR 202: Emergence of prophecy and Israelite pre-canonical-prophets  
Duration: 3 Hours  
Instructions 12 JUNE 2018

**Answer any three questions.**

**Each question carries 100 marks**

**SECTION A**

1. Evaluate the extra biblical material on the origins of prophecy in Israel.
2. With Zimbabwean scenarios, how far can it be argued that true prophets do not receive remunerations.
3. To what extent do you concur with the argument that contemporary Zimbabwean prophets are milking the poor to the bone?
4. Discuss the rise of monarchy in Israel.
5. Analyse the steps taken by King David to create a myth around his throne in Ancient Israel.
6. Debate the view that Zimbabwe indigenous spirit mediums are equally prophets as Israelite pre-classical prophets of the Old Testament.
