**COURSE TITLE** : INTERNATIONAL RELATIONS  
**DURATION** : 3 Hours  
**DATE** :

**06 OCT 2022**

**INSTRUCTIONS TO CANDIDATES:**

1. Answer any THREE questions only.
2. Each question carries 100 Marks.
3. Start each question on a new page of your answer sheet.

4.

1. With the use of two theories, discuss the importance of theories in International Relations.
2. IR has extensively studied the causes of war. Still, as policy makers and citizens we want to know more than who is likely to fight, and when. We also want to reduce the probability of destructive wars: we want to identify policy levers for reducing the probability of war. Explain the policy levers most likely to reduce the odds of war? Back up your appraisal with theory and evidence.
3. Does economic globalization lead to a race-to the-bottom in terms of domestic economic and social institutions? Discuss drawing on at least two regions or countries
4. Examine the implications of the unipolar system characteristic of the post-Cold
5. War order on conflict formation on the basis of the following:
  - a. Proliferation of weapons of mass destruction
  - b. Rapid globalisation
  - c. Fragmentation
  - d. Democratisation
- 6 Analyse the rationale behind anarchy in International Relations. Give valid examples.
