

ZIMBABWE EZEKIEL GUTI UNIVERSITY

FACULTY OF HUMANITIES, EDUCATION AND SOCIAL SCIENCES

DEPARTMENT OF EDUCATION AND LEADERSHIP DEVELOPMENT

EXAMINATION PAPER

PROGRAMME: Bachelor of Education (Hons) Early Childhood Development

COURSE CODE: ECD 409

COURSE TITLE: Nutrition health and Safety

DURATION: 3 Hours

DATE: **03 OCT 2022**

INSTRUCTIONS TO CANDIDATES:

1. Answer any **THREE** questions.
2. Each question carries 100 marks
3. Start each answer on a new page of your answer booklet.

1. A child was playing with others in the playground and came to you crying saying his peers are shunning to play with him because he is obese. You decide to engage the mother of the child on ideal feeding habits. Which advice will you give to the mother of the child?
2. Oral health care is critical to a developing child. Discuss.
3. Two children collided as they were running in opposite direction and the other child fainted. Which procedures would you take whilst waiting for the medical health care personnel to treat the child?
4. Analyse the role of the sick bay at an ECD Centre.
5. Imagine that you are a director of an ECD centre and holding a staff development workshop. Explain to the staff members the need of a first aid kit in the ECD classroom.

The End
