

ZIMBABWE EZEKIEL GUTI UNIVERSITY

FACULTY OF HUMANITIES, EDUCATION AND SOCIAL SCIENCES

DEPARTMENT OF EDUCATION AND LEADERSHIP DEVELOPMENT

EXAMINATION PAPER

PROGRAMME: POST GRADUATE DIPLOMA IN EDUCATION

COURSE CODE: EPD 114

COURSE TITLE: TEACHING METHODS SUBJECT 1

DURATION: 3 Hours

DATE: 02 DEC 2022

INSTRUCTIONS TO CANDIDATES:

1. Answer any **THREE** questions.
2. Each question carries 100 marks
3. Start each answer on a new page of your answer booklet.

1. Select **one** concept from your curriculum learning area that you intend to teach using the experimentation method.
 - a) Outline the preparations that you will make for the experiment. **(25 Marks)**
 - b) Explain why you regard experimentation as the most suitable method for teaching the concept. **(75 Marks)**

2. With the aid of practical examples from the curriculum learning area you teach, describe the factors that you should consider when preparing instructional media. **(100 Marks)**

3. The District Education Office conducted supervision at the school where you are teaching and found out that all the teachers were not evaluating the tests they give to learners. To address the problem the school head tasked you to prepare a staff development paper on the following issues:
 - a) The purpose of evaluating tests. **(75 Marks)**
 - b) Test evaluation procedure. **(25 Marks)**

4. A teacher at the school where you teach approached you for advice on how to manage an undisciplined form-four class that she teaches.
 - a) Explain to her the factors contributing to indiscipline among the learners. **(25 Marks)**
 - b) Which strategies would you advise her to use? **(75 Marks)**

5. Examine the relationship between effective questioning and learner achievement. **(100 Marks)**
