Bachelor of Science (Hons) in Development Studies: Part 1 Semester
2

COURSE CODE : ADS 126
COURSE TITLE : Ethical Issues in Development Practice
DURATION : 3 Hours
DATE : 12 JUN 2024

INSTRUCTIONS TO CANDIDATES:

19. Answer any **THREE** questions only.
20. Each question carries 25 Marks.
21. Start each question on a new page of your answer sheet.
22. Use relevant examples or case studies in answering your questions

1. Globalisation's call for cultural diversity among nations and the respect for all concept requires host countries to assume and adopt new cultures that suit the demands of the investor. Show how this principle interferes with the belief systems in receiving countries' developmental practices.
2. Claude Ake (2006) pointed out lack of vision among African leaders as the greatest economic development deficiency of the continent. Interpret this statement in relation to ethical values that leaders must adopt to achieve economic prosperity in Africa.
3. 'Development that ignores the rights of humanities is dead'. Discuss this allegation from developed countries' behavior of dumping toxic materials in the environments of the poor.
4. Explore how the dependency syndrome has subjugated the ethics of Africa's development trajectory and sustainable socio-economic prosperity since 1963.
5. The high crime rates that characterise Zimbabwe are blamed on poverty. In that respect, explain how poverty leads to immoral behaviors, giving practical examples from Zimbabwe.
