### EXAMINATION PAPER

**Bachelor of Science (Hons) in Development Studies: Part 2  
Semester 2**

**MODULE CODE** : ADS222  
**MODULE TITLE** : Development Finance  
**DURATION** : 3 Hours  
**DATE** : 26 NOV 2024

#### INSTRUCTIONS TO CANDIDATES:

1. Answer any **THREE** questions only.
2. Each question carries 25 Marks.
3. Start each question on a new page of your answer sheet.
4. Use relevant examples or case studies in answering your questions

1. 'Zimbabwe is open for business' is the current mantra for the country. As one of the economic advisors to the Minister of Finance and Economic Development, write an analytical report on how the country can increase FDI and how it can be effectively utilized for the development of the country.
2. You are a leader of a pressure group that monitors the government development finance options. The members of the Parliamentary Portfolio on Finance and Economic Planning have invited you to give them your latest assessment of the foreign aid flows to Zimbabwe. Prepare a presentation that will give them a critical assessment of what it means for the country's development.
3. You have been invited to take part in developing strategies for the country to promote economic development. Present an analytical report on how Zimbabwe can increase its domestic resource mobilisation.
4. You have been invited to speak in a panel of development experts on how external sources of development finance can be utilized for national development. Critically analyse how some of the Asian tigers have developed using the external development finances and draw lessons that the emerging economies can refer to.
5. You are attending a South-South cooperation conference and China has been criticised for dominating the provision of development assistance to African countries yet contributing to the underdevelopment of these countries. Evaluate this assertion with the use of examples.
