1. Answer any **THREE** questions only.
2. Each question carries 25 Marks.
3. Start each question on a new page of your answer sheet.
4. Use relevant examples or case studies in answering your questions

1. As the NDS 1 is coming to an end, the NDS 2 is about to be launched. The funding of the new strategy is in question and the World Bank has indicated availability of funds for the strategy. As a senior officer in the ministry responsible for national finances, express your views on the offer.
2. You are a leader of a pressure group that monitors the government's development finance options. The members of the Parliamentary Portfolio on Finance and Economic Planning have invited you as part of their stakeholders' engagement. Present your latest assessment of the foreign aid flows to Zimbabwe and the impact on the country's development.
3. The Bindura Municipality has prioritised the construction and rehabilitation of all the major distributor roads in the town as part of the Vision 2030 ambitions. As part of Council Finance Committee, advise your peers on the different PPPs that can be utilised and the implications of each of them.
4. Members of the Kupfuma Ishungu Farmers Cooperative in Chiveso are eager to start horticulture production with adequate inputs and implements. The Chairman has asked your opinion on engaging microfinance services as a source of finance. Provide a satisfactory analysis that leads to an informed decision
5. Zimbabwe is featured in the top 10 countries in Africa that are receiving significant amounts of remittance inflows. Discuss the impact that these remittances have on the local and national economy.
