INSTRUCTIONS TO CANDIDATES:

1. Answer any **THREE** questions only.
2. Each question carries 25 Marks.
3. Start each question on a new page of your answer sheet.
4. Use relevant examples or case studies in answering your questions

1. As the SADC Special Envoy on Climate Change in the region, discuss the mitigation and adaptation measures that regions in low-lying areas can adopt to deal with the climate-related disasters that they experience frequently.
2. 'Climate finance has been introduced in response to the call that countries in the global South are disproportionately affected by the effects of climate change.' Examine FIVE sources of climate finance that Zimbabwe can access and their implications in addressing the climate change challenges.
3. Discuss the Nationally Determined Contributions (NDCs) in the context of Zimbabwe and the progress that has been made so far. Recommend what should be done to improve the performance.
4. The European Union Climate Foundation delegation is visiting Zimbabwe on a fact-finding mission. As a senior official in Chitungwiza Municipality discuss with this team the environmental issues that your area is experiencing and recommendations to address them.
5. You have been nominated to make a presentation at a Women's Conference on rural food security. Analyse agribusiness and agroecology as mechanisms to promote a sustainable food system in the country.
