COURSE TITLE : SOCIAL WORK WITH INDIVIDUALS 2
DURATION : 3 Hours
DATE :
18 AUG 2021

INSTRUCTIONS TO CANDIDATES:

1. Answer any **THREE** questions only.
2. Each question carries equal marks.
3. Start each question on a new page of your answer sheet.

1. Using, the person-in-environment approach, critically analyse the strengths and weaknesses of the Diagnostic Statistical Manual-(DSM) IV in the assessment and diagnosis of clients.
2. "The government of Zimbabwe has responded to the whims of the remedial approach in social work through rebranding the department from being Department of Social Welfare (DSW) to Department of Social Development (DSD)". As a director of the Department of Social Development (DSD), suggest ways that can be put in place to achieve developmental social casework in Zimbabwe.
3. Appraise the utility of the Motivational Evaluation Therapy (MET) when working with youth abusing substances.
4. "Social workers must identify with the values of the profession in the area of spirituality and religion as in all other areas of practice and not impose their own spiritual views on their clients, or make judgments that stem from their personal perspectives", Lesser and Cooper (2015: 23). Discuss this contention showing how social work values always takes precedence over personal values.
5. Examine the importance of personal reflection and self-correction as components of continual professional development among social workers.
